Royal Plaza of Olympus has officially reached the Silver Status! It is such a remarkable honor for our community!

The Silver Quality Award proves that we have moved beyond foundational quality practices of our industry.

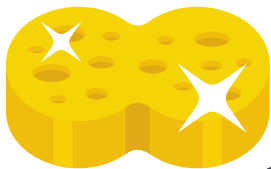

We demonstrate a systematic commitment to excellence. Earning this award means that our community has successfully implemented effective processes, measured performance, and achieved meaningful improvements that enhance the lives of our amazing residents, families, and team members.

This award is especially meaningful to us because it reflects the dedication of our entire Royal Plaza team. Every employee and volunteer contributes to creating an environment where residents receive exceptional care and support. The Silver Award validates our commitment and demonstrates that we consistently strive for higher standards of quality of care, community engagement, and resident satisfaction.

Ultimately, receiving this award is a testament to our culture of continuous improvement, and commitment to excellence. We are providing residents with the highest quality of life. We earn the trust families place in our community and are dedicated to delivering compassionate, resident-centered care every day.

HAPPY BIRTHDAY

A WII BIT FUN!

What started as a simple game on the Wii quickly turned into an epic competition between local kids and our residents! Thanks to our partnership with Walk This Way Media, everyone enjoyed some friendly competition, plenty of laughs, and the perfect ending to the day with ice cream sundaes together.

A LITTLE ABOUT JUSTIN

Justin lives in Pullman with his wife, three children, and a beloved family cat. When he's not at work, you can often find him performing in community theater, enjoying a board game

with friends and family, or spending time fishing outdoors. He is excited to introduce a wide range of fun, enriching activities and experiences to our beautiful community and can't wait to get to know each resident and their families along the way.
