## GET TO KNOW ARCHIE

David Archibald "Archie" joined Royal Plaza in March as a CIT - CEO in Training. For the next few months, he'll work with our CEO, David Weeks, to learn the ins and outs of running an assisted living community. He'll also spend time working with other community leaders in maintenance, housekeeping, culinary, and nursing. At the end of his training period, he'll be assigned a community of his own to manage, likely somewhere in the Northwest. He's loving his time in our community and enjoys getting to know our residents. Archie moved from Salt Lake City, Utah, with his son Evan, who is 20 years old. His other son, Aiden, is 23 years old, married to his college sweetheart, and living in Utah. Archie is always looking for new things to see or do so if you have any suggestions, let him know!
